

# changing church

TOOLKIT | TRANSFORMING COMMUNITIES

FIVE KEY

QUESTIONS FOR

COMMUNITY ENGAGEMENT

evangelical alliance  
together making Jesus known

# **1. As you engage with your local community, what is your posture?**

Are you ready to listen, understand and learn? Do you go to serve, befriend and welcome?

# **2. How present is your church in the local community?**

Where are the meaningful partnerships with other community groups? Do you know the issues that are coming into this community?

# **3. What role does prayer play in your engagement with community?**

Are you lamenting, repenting, interceding and imagining? Are you listening to the Spirit as He leads you into extending God's kingdom on earth?

## **4. Are you maintaining the unique place of the church as God's good news people in the community?**

As you move into action for the community, are you stepping into every opportunity to proclaim Jesus in prayer and word?

## **5. To what level is this missional transformation of your community engaging the whole church body?**

How is this reflected in your prayer gatherings, teaching series, discipleship structures?

**It is important that we move ahead soaked in prayer, rooted in scripture, passionate for the gospel and committed to one another in love.**
