Dear friend,

Amid the crises in our communities, we are facing, arguably, the greatest evangelistic opportunity of our lifetime.

It's time to pray like we've never prayed before. Please, join me.

ALMIGHTY GOD,

**We pray for all those who feel wounded,
weary and broken.**

We pray for the bereaved, the anxious
and the isolated.

We unite our hearts with them.

God, have mercy; bring healing and
peace.

Amen.

LORD,

We ask that many will encounter you for the first time and that others may have a fresh knowledge of your love and grace.

Move across our nations in saving power, we pray.

We pray for your Spirit to stir our hearts.

Empower us to seek first your kingdom.

Let us be your witnesses in our communities through words and deeds.

Amen.

MERCIFUL FATHER,

We pray for those who wrestle with mental health issues.

Grant them support, care, understanding and love.

We pray for their families and wider network; encourage them with rest and patience.

Amen.

LORD,

**Thank you for all that you have given to us,
for the provision of daily necessities and for
the gift of others.**

Thank you for those who risk themselves daily
for the care and safety of others.

**We pray for church communities throughout
our nations.**

May we be given imagination and creativity to
follow you into this new situation. Help us to
proclaim and live out the good news of Jesus
in compassion, care, humility and transforming
love.

Amen.

GRACIOUS GOD,

**As we struggle and juggle a new way of life,
stir a hunger in our community that only
you can fill.**

May we come alongside the people in our streets and towns, sharing the hope that we have in you.

We pray for those making key decisions.

We pray for medical experts, politicians and public leaders. Grant them wisdom, compassion and integrity. May they not be overwhelmed by the responsibilities placed upon them.

Amen.
